1.0 INTRODUCTION

Site Resource Group Limited Partnership (SITE) prioritizes operating safely, sustainably and in an ethical and responsible manner. Our suppliers play an important role in supporting our operations and upholding our commitments to our customers. Our Supplier Code of Conduct explains the principles and standards that apply to you when you are providing goods and services to SITE. As a SITE supplier, we expect you to share the principles described in this Code of Conduct and to apply similar standards with your own employees and across your supply chain.

By following this Code, you are upholding our mission and our core values and setting the groundwork for our joint success. We expect you, including your employees and the suppliers you yourself use, to act ethically and abide by the commitments in this Code and by other policies that may apply to you as you interact with us or act on our behalf. We value our relationship with you and appreciate your efforts to fulfill these important responsibilities.

2.0 POLICY

SITE is committed to ethical business practices and expects its suppliers to adhere to the highest standards of integrity, honesty, and fairness in all their dealings.

3.0 PURPOSE

The purpose of this Supplier Code of Conduct is to outline the expectations and requirements for suppliers to SITE, ensuring alignment with our values, legal obligations, and Environmental, Social and Governance (ESG) goals.

4.0 SCOPE

This code applies to all Suppliers who provide goods or services to SITE.
